

Inclement Weather Policy

In the event of winter weather the following is Cornerstone United Methodist Church's closing policy: Monday-Thursday, if Jonesboro Public Schools are closed due to winter weather, the church office is also closed, and evening activities are also cancelled. In the event of winter weather on Sunday morning, we will have one Sunday school hour at 10:00 a.m. providing a single class for children and a single class for adults; and one worship hour at 11:00 a.m. If church was affected on Sunday morning, then Sunday afternoon activities will also be cancelled. In the event that the weather hits between Sunday morning and Sunday evening, it will be at the discretion of the staff members conducting events to fully cancel or fully hold all programming (either it all continues or is cancelled). All efforts to communicate cancellations will be made via the church website, local media, email, and the church phone message. Regardless, safety is our primary concern, so please do not put yourself or your family at risk.
