

CORNERSTONE INCLEMENT WEATHER POLICY

As we enter the winter months – and as we have seen in these past few days – it is good to keep our inclement weather policy in mind. Safety of church members, guests, and staff will be the highest priority considered in making a decision to close the church.

In the event that severe weather occurs, Cornerstone will generally follow the school closing, late start or early dismissal as indicated by the Jonesboro School District (JSD). If the JSD is closed, Cornerstone will also be closed and all events cancelled, with the exception of weekend worship services, which will be determined on a case by case basis by the senior pastor and church administrator.

For inclement weather closing information we encourage you to do one of the following:

- Call the church office at 870-932-2718 if during working hours
- Watch KAIT 8 television station
- Listen to local radio stations – Jonesboro Radio Group, East Arkansas Broadcasters (EAB), or KASU
- Watch for an email notice, Facebook update, and church website notices (unless we experience power/internet outages)
- In all cases, please use your personal discretion to determine if it is safe for you to leave your home and travel to church.
