- Dinner Church servant leader
- Home-based small groups
- Online worship/discipleship leader

...of your giving?

Use a *Commitment Card* to pray, reflect and then decide what you can give financially in 2023. A tithe means you give 10% or more of your income. Sacrificial giving means that you are making a sacrifice (It's difficult!), but you're giving 6% or 7% for example. Sporadic giving? We'd encourage you to set up safe, ACH with the church or schedule a reminder on your calendar. If you aren't giving at all, start with \$30 per month and watch what God can do in your heart with just \$1 a day!

...of your time?

As you renew your commitment to God and the Church, walk in love, light and life by serving your neighbor and your church family. Use the "service survey" inside to volunteer where you feel led. What would you enjoy doing? Pray. Be brave and try something new!

...of your witness?

You are a disciple maker! God has given you specific opportunities and abilities to share the Good News. "The word of the Lord is ringing out from you!" So where is the 1 place where God wants you to share your faith? Who is the 1 person that God is calling you to invest in? Make a confidential commitment to be a Christ-like witness.

How to use this SERVING survey

- STEP 1: Review the full list of options inside
- STEP 2: Pray about where God is calling you to serve in the coming year.
- STEP 3: Fill out both sides of the survey
- STEP 4: Bring it to church on Sunday, Nov. 20 for Commitment Sunday (or soon after). Begin serving as soon as you are able. PTL!

IS GOD WORTHY?

SERVING 2023
